1 Living comfort: individual swivel seats in the second row. 2 Well thought-out and tried-and-tested interior concept made of sturdy flightcase material. The sitting area can be converted into a bed in just a few easy steps. 3 Scheelmann seats: perceptible comfort for fatigue-free travel, whether on gravel roads or long-distance journeys. 4 Cabinet system with ample space and numerous storage compartments. 5 Adjustable table: sitting is even possible with the bed in use. 6 Stainless steel sink-cooker combination with 40-litre refrigerator on the side. 7 Additional storage space with Porta-Potti toilet. Lots of space for clothes, towels and similar lightweight items is available in the hanging bags – always within easy reach!

Tom's World Cruiser 3

Tom's WorldCruiser 3: To travel comfortably in a Land Cruiser with 4 people, an intelligent interior concept is needed. With Tom's WorldCruiser 3 we have accomplished just that. The aluminium HighCube body extension provides a comfortable room size. The pop-up roof offers two cosy sleeping berths as well as full standing height when camping. In the passenger cabin, the two individual swivel seats with three-point belts can be folded down if necessary, perfectly complementing the lower sleeping area for a good night's rest.
