Tom's WorldCruiser 2: Our custom rear extension turns Tom's WorldCruiser 2 into a surprisingly spacious vehicle. The personalised interior with kitchenette, cupboards, hanging bags, hot water boiler, water filter system, auxiliary heating, integrated Porta-Potti toilet as well as a warm shower leaves nothing to be desired. The power supply for the vehicle and the living area is provided by reliable solar panels. The energy management system allows for complete self-sufficiency and transforms the vehicle into a capable off-road expedition vehicle. Further details: www.toms-fahrzeugtechnik.com
